Our Mission

To provide unparalleled car care solutions through innovation, eco-friendly practices, and meticulous attention to detail, ensuring every customer drives away with a smile.

Our Vision

To become the leading name in premium automotive aesthetics across the UAE, setting the gold standard for quality and customer convenience.

Who We Are

Harmain Parking Car Wash* is a Dubai-based, mobile car wash service provider specializing in on-location vehicle cleaning – inside residential building parking, community townhouse parking, and mall parking facilities.

We operate using professional-grade trolleys equipped with everything needed for a complete, high-quality car wash: water tanks, pressure sprayers, cleaning solutions, microfiber cloths, and waste collection. This allows us to deliver a shop-quality finish* directly inside any parking area – without permanent infrastructure, plumbing, or electricity.

We do not operate fixed locations. We bring the car wash to where cars are

Our Equipment Advantage – Professional Trolleys

Our trolleys are designed specifically for mobile parking -area car washing:

- Self-contained water tanks – No need for external water connection
- Battery-operated pressure sprayers – No power outlet required
- Organized compartments – Separate storage for clean and dirty cloths
- Chemical containment – No spills or runoff on parking surfaces
- Compact & quiet – Does not disturb residents, shoppers, or tenants

Why this matters for property managers:

- No damage to parking areas. No water pooling. No electrical modifications. No complaints.
